INSTRUCTIONS FOR SETTING TIMING DEVICE
(Programming Times/Horns for Gamblers, Snooker)

To program times for all heights before a class starts:
- Press **SETUP**, press **NEXT CHOICE** until the display reads **Advanced Menu**, press **ENTER**.
- Press **NEXT CHOICE** until the display reads **Set Game Horns**, press **ENTER**.
- Display will read **Set Horn Opt 1**, press **ENTER**.
- **Horn 1**, key in time, press **ENTER**.
- **Horn 2** (if needed, as in Gamblers), key in time, press **ENTER**.
  (this completes setting time for one jump height.)
- Next screen is **Horn Option 2**, repeat above for option 2-8 (for heights requiring different times).
- Press **SETUP** to exit.

At start of class and then at each height change:
- Press **SETUP**, press **NEXT CHOICE** until you get to **Set Game Horns**, press **ENTER**.
- Press **NEXT CHOICE** until desired **Option 1-8** is displayed, press **ENTER** to select.
- Press **SETUP** to exit.

CLASS/LEVEL_____

	Jump Height	Option #	Horn 1	(gamble closing time)	Horn 2 = Horn 1 plus gamble closing time
