Breakfast and lunch on both days

Location: Mather Regional Park, Rancho Cordova, CA

Presented by: Sue Larson

.....
• Sue Larson has been tracking dogs for over 20 years and has earned multiple TDs and TDX titles on her collies and border collies. Her students have gone on to earn many titles in tracking. Sue brings a well-organized, tried and true approach to tracking training that you will begin at the workshop and continue on your own after the weekend.
.....

Both days will include plenty of in-the-field, hands-on exercises with you and your dog as well as valuable lecture instruction. Students will be able to observe a variety of breeds and ask questions during the hands-on time in the fields. All instructional materials will be printed and available to the students at the beginning of the workshop. You will also receive a copy of Sil Sanders' instructional tracking book, *Enthusiastic Tracking*.

Topics included: How to train your dog to track, proper line handling, problem solving, motivation, equipment needs, training schedules, track laying, and more.
