

Thank you for entering our USDAA Agility trial to be held at the Yolo County Fairgrounds on June 15 & 16, 2013. Please read your confirmation carefully. Move ups are accepted until 6PM on Wednesday, June 12 2013. If you have anything to change, mail Karey Krauter at kkrauter@bumpsays.com or call 650-906-5146.

There are about 400 runs each day with 60 Masters dogs entered, 10 Advanced dogs and 20 Starters dogs entered so we should end at a reasonable time both days.

Important Note to exhibitors: We must clean-up and bag all poop (it is in the contract - we will be fined if this is not done). Also do not allow dogs to urinate on trash cans or ANY structure!!!

FOOD: Breakfast munchies will be available for all competitors during check-in. There will be a make-your-own sandwich buffet for lunch for workers only. There will be no food available on-site for purchase. Each ring's Crew Chief will provide workers with a lunch ticket. If you plan to work after lunch, be sure to track down your Crew Chief in the morning and ask for your ticket!

WORKERS: Speaking of working, we are totally indebted to you when you step up to help out! We'll be publishing a skeleton worker schedule ahead of time at least showing our sainted fulltimers, and there'll be whiteboards ringside on which you can sign up whenever you feel the need to build your karma. Every class you work in will earn you tickets for our awesome Workers Raffle. If your Crew Chief doesn't give you one, don't be shy—ask for it!

SCORING, QUESTIONS, POSTING - We get scores posted as quickly as possible after each jump height is completed. Please check your results as soon as possible so we may resolve any questions you may have before the judge forgets what your run was like! If you want to check your score while your jump height is still running, feel free to peek over our shoulders, but please try to be quick about it and then move off so others can peek. While it's true the score table is busy, we are never too busy to help you.

RUNNING ORDERS, RESULTS -posted at www.agiltracs.org.

Don't forget this trial will have same weekend moveups if you title on Saturday!

CONTACT INFO - Karey's cell is 650-906-5146. Feel free to call or text it, especially in close proximity to the weekend when my email access will be very distracted!

FRIDAY SET UP: 2:00PM

Ring set-up starts Friday at 2PM. Competitors are very welcome to come then and help set up AND get preferential crating treatment!

General competitor set up starts at 130PM. We're hoping that if you come and get yourself set up early then you'll have nothing better to do than help ring set-up at 2PM!! NOTE nothing can be staked down in the ring area until after the rings are laid out.

Be aware that the fairground gates will NOT be locked at any time, and the competitor assumes all risk of leaving items overnight. TRACS will not be responsible for any loss or damage to items at the show site.

RV PARKING - Is by advance arrangement \$20 per night with hookups, \$5 without, honor system. If you didn't send in an RV form with your entry form but wish to RV now, contact kkrauter@bumpsays.com.

RV's can arrive and set up at 1PM. When you arrive, check in with Susan Cochran for the permit you are required to display on your dashboard. RV spots are first-come-first-served, with the exception of some marked spots that will be reserved for key workers. If you want to RV with your friends, make your own arrangements to have the first arrived in your group save adjacent spots for the rest of your crowd.

DAY PARKING - Parking is allowed in the interior of the fairgrounds. You will be directed AWAY from designated RV spots: please be considerate! Further, anyone parked inside may NOT MOVE THEIR VEHICLE while the trial is running (approximately between the hours of 730 a.m. and 4:00 p.m.). If you anticipate needing to move your vehicle during these hours, you should instead park in the main parking lot outside the fairgrounds front gate.
