

COVID-19 STATEMENT

AS OF Mar 23, 2020

The TRACS Board is watching guidance/orders from the Governor and the CDC/WHO. We will make a determination no later than May 1 as to whether our May AKC Memorial Day trials will be held.

At this time, TRACS is accepting entries for our Memorial Day agility trials, May 22 – 25, 2020.

If it does go forward, we are going to keep it very basic this year: just our basic slate of classes, the WTT ISC Classes, and the Parade of Veterans. All additional programs have been postponed until next year.

If we do cancel, **ALL entries fees will be fully refunded**, provided you have not entered online (the AKC online entry system will not refund the online convenience fees). Any certificates sent with entries will be returned/reissued.

Additionally, in the event of trial cancellation: for those who have entered the Parade of Veterans, TRACS is still going to order/send you your dog's PoV Rosette.

So, with that in mind, if you are going to send an entry, please do it sooner than later, so that in the event we can have the trial, your Trial Secretary will not have to try and process a flood of entries at the last minute.

All entry fee checks will be held until a final decision is made.

With regard to those of you making RV reservations: we are NOT accepting PayPal payments for RV reservations for this show due to the difficulty and costs involved with refunds. Please send a check with your RV reservations.

If you have any questions, please contact our Trial Secretary, Kathie Leggett, kathie@touchngoagility.com
