Alternate List: An alternate list will be maintained and will consist of entries received by the closing date but not pulled in the initial draw. Drawing for the alternate list will immediately follow the drawing for entries which are to run.

Notification: Notification of the draw results will be made as soon as possible after entries have closed. Should such notification not be received by the exhibitor within a reasonable time, please contact the Test Secretary. Judging Program will be provided by email and USPS Mail.

This club does not agree to arbitrate claims as set forth on the Official AKC entry form for this event.

Refund policy: The entry fee shall be refunded to any entrant if the secretary is notified prior to the draw of such withdrawal and an alternate is available to run the track. All alternates not given the opportunity to run a track will receive a refund of their entry fees.

Bitches in season may participate: If you know that your bitch will be in season the day of the test, notify the test secretary ahead of time. When you arrive at the test site, park your vehicle away from the other cars and notify the test secretary that your entered bitch is in season. The last track to be laid will be reserved the bitch in season. If there is more than one bitch in season, a second draw for those bitches will be held. Bitches in season will only be allowed to participate after all other dogs and bitches not in season have been tested. They must be kept away from the rest of the entered dogs. Failure to comply will result in the handler and dog being excused from the test site and any award withheld.

Draw for running order: All entrants must be at the test site by 9:30 AM the morning of the test, at which time there will be a draw for running order. Entrants not present at that time will be marked absent and an alternate will be allowed to run in their place.

Judging will begin as soon as tracks have sufficiently aged.

Awards: A dark green qualifying ribbon and a rosette will be awarded to each passing dog.

Dogs on leash: All dogs and bitches entered in this test must be kept on leash at all times. Failure to comply will result in the dog and handler being excused from the test site. This also applies to any non-entered dogs that may accompany anyone at this test.
