# USDAA Dog Registration Form

You must have a USDAA registration number before you can compete in this trial. You can get one instantly by going to the [www.usdaa.com](http://www.usdaa.com) online store and registering online (for a discounted registration fee!). If you prefer not to register online, you can include this registration form with your entry (include the registration fees in your entry fee check made out to TRACS) and we'll take care of it. If you independently snailmailed your registration to USDAA but have not received a registration number, call USDAA at 972-487-2200 to check up on it. In this case it is your responsibility to provide a USDAA registration number; USDAA and TRACS cannot accept pending registrations.

**DOG REGISTRATION APPLICATION - \$20.00**

**JUNIOR HANDLER REGISTRATION APPLICATION - \$17.00**

Dogs must be registered with USDAA in order to compete in USDAA sanctioned events. A registration card and number with a "U" prefix will be issued to facilitate entry at USDAA events and tracking of show results in the regular classes.

Junior handlers (those 18 years of age and younger) and their dogs must be separately registered for participation in the USDAA's Junior Handler Program (UJHP). A registration number with a "J" prefix will be assigned for use in entering UJHP events. A dog competing in both programs (regular classes and UJHP) must be registered separately for each program, for which the total fee is \$37.00.

You must complete ALL information for a valid registration

### Championship Program Classes

Please see the USDAA rules for details, Chapters 3-5, on the web @ [http://www.usdaa.com/binary/files/rules\\_ebook\\_2004.pdf](http://www.usdaa.com/binary/files/rules_ebook_2004.pdf). Masters level: See chapter 3 of the USDAA Rule book.

### Performance Program Classes

Please see the USDAA Rules for details, Chapter 7, on the web @ [http://www.usdaa.com/binary/files/rules\\_ebook\\_2004.pdf](http://www.usdaa.com/binary/files/rules_ebook_2004.pdf).

## NON-STANDARD CLASSES

These nonstandard classes are scored pursuant to the provisions of Chapters 6 & 7 of USDAA® Rules and Regulations.

**GAMBLERS:** The Gamblers Class consists of a course with no pre-determined route and each obstacle is assigned a point value. In the "opening" period, the handler seeks to accumulate points by performing the obstacles of his/her choice in the time allotted. At the conclusion of the "opening", the handler attempts the "gamble", a sequence designated by the judge to be handled from a distance, for additional points.

**JUMPERS:** The Jumpers Class consists of a course of jumps and may include a tire and tunnels.

**SNOOKER:** The Snooker Class has an "opening" sequence of point collection similar to Gamblers class followed by a closing sequence of a set pattern. It roughly parallels the billiards game of "Snooker", requiring the dog to successfully complete a "red" jump prior to attempting an obstacle designated as any other color.

**PAIRS:** The Pairs Class consists of a standard course with one dog and handler running a portion of the course, followed by a baton exchange to a second handler and dog who run the second portion of the course. Partners must be in the same level and height division; mini (Ch 12/16, Perf 8/12) or open (Ch 22/26, Perf 16/22). Eligibility is determined by the highest Versatility or relay title earned. In the event only one dog is entered in a program/class, un-entered dogs or dogs from other programs/levels may not be recruited to form a qualifying pair.
