the 2nd Red Poppy ISC Cup; and the Northern California Regional World Team Tryouts
Qualifying Event
May 24, 25, 26 & 27, 2024
Yolo County Fairgrounds – Outdoors on grass
1250 East Gum Ave, Woodland, CA 95776**

Thank you for entering our AKC Memorial Day Agility Trials. This is a preliminary judging schedule which is contingent upon move up entries that may not have been received yet.

Upon acceptance of your entry, whether you entered through the AKC Online Entry Service or mailed your entry to me, you were emailed an entry confirmation. Please ensure you have read this confirmation carefully. Unless due to a Trial Secretary oversight, errors must be corrected **before** the day of the show. No additions, deletions, or changes may be made after closing except for move ups. If you have anything to change, email kathie@touchngoagility.com.

Move ups for Friday, May 24th are accepted until Monday, May 20, 2024 at 10:00 PM and must be in print (either letter or email). Although move ups for Saturday, Sunday and Monday will be taken until 15 minutes after the close of the day's event, please consider turning in your move up form as soon as you have confirmed your results.

AGILITY TRIAL SITE DIRECTIONS

DIRECTIONS:

From the Bay Area via I-80 East: Take I-80 East towards Sacramento. Exit I-80 onto CA-113 North (just past Dixon) towards Woodland for 8.7 miles. Take Exit 34, Road 25A. Follow Rd 25A for approximately .45 miles and turn right onto East Street. Follow East Street for 1.88 miles and turn right onto East Gum Ave. The fairgrounds will be on your right.

From I-5 North/SR-99 North: If you come up 99, you will merge onto I-5 north just past Sacramento (goes past the Sacramento International Airport). Follow I-5 north to Ex 537, CA 113S / Woodland. Turn left off the exit ramp onto East Main Street. Follow East Main for approximately 1.1 miles, then turn left on East Street. In .6 miles, turn left onto East Gum Ave. Fairgrounds Entrance will be on your right.

ENTERING THE FAIRGROUNDS:

- The Main Gate off East Gum Ave will be open from 6:00 am through 9:00 pm, Thursday through Monday. This gate is opened/closed by the Fairgrounds Maintenance department. TRACS cannot open this gate.
- If you arrive before 6:00 am, you will have to wait in the entrance drive until the gate is opened. There is a possibility that Maintenance may be late in opening the gate. Please be patient – do not call Karey for this! We don't have the keys to this gate.
- On Sat, May 25, the black gates will be closed/locked at 3 pm, so you will need to enter the Fairgrounds through the gate off East Ave. To do this, you will need to contact Karey Krauter (she has the keys).

SET UP CREW:

- If you wish to help with set up, please contact Karey Krauter (kek@bumpsays.com) by Wednesday, May 24th to be added to the set up crew list. ONLY SET UP CREW will be allowed to set up ringside or bring their RVs in before 2:00 pm.

ARRIVAL AND PARKING:

- Friday – Monday: The Main Fairgrounds entrance gate (off Gum Ave near the RV Park, NOT the inner black gate) opens at 6:00 am. This gate is opened/closed by the Fairgrounds Maintenance department. We do not have the keys.
- Once through the inner black gate, “Main Street” (the two-lane road that leads from the black gate down through the trial area), will be blocked off in both directions beginning at 7:30 am each day through the end of judging. This is for the safety of exhibitors and dogs.
- If you arrive after 7:30 am, there is an unloading area where you can park temporarily to unload your stuff or you may drive around the perimeter (see Daily Driving Map) to a Daily Parking area. There is a 15-minute unloading time limit. After that, you must move your car to one of the day parking areas.
- There are a number of areas inside the Fairgrounds where you can park for the day. See the attached site map for these areas. Please do not park within about 20 feet of an RV hookup or you will be asked to move if an RV needs to park there. No vehicles of any kind (with the exception of the TRACS trailers and tow vehicles), may park on any paved roads/pathways (fire lanes).
- The interiors of all barns/buildings are off limits to cars/set ups. This is a Fairgrounds rule. .

RINGSIDE CANOPY SETUP:

- The rings will be outside on grass with limited shade, so remember to bring your own shade.
- General exhibitor set up begins at 2:00 pm.
- Please ensure all set ups are at least 15' back off the ring ropes.
- Note: There are several reserved areas and walk through spaces that were marked off during set up. If you set your canopy up in a “designated walk-through area” or other reserved space, you will be asked to move, regardless of the time.

UNATTENDED DOGS:

In accordance with AKC rules, all dogs must be on leash and attached to a human being. Please do not tie your dog to the any club canopies, leave them unattended in/on chairs, or in an unattended down stay next to the ring while walking your course. If you are early in the running order, you can bring a crate to ringside to stage your dog so you can be ready immediately following the walk through. However, you will have to remove it after your run to keep congestion down near the rings. Also, remember that, there will be a five-minute break from the end of each walk through to the first dog on the line.

RV PARKING:

- Overnight parking (RVs, Trailers, cars/van, tents) is by **advance registration only**.
- Only trial keyworkers will have **assigned** parking spots.
- Sandra Zajkowski, the RV Coordinator, will be sending out a general map to all those who have sent in an RV parking request. This map will have RV parking locations identified.
- General RV Parking is on a first come, first serve basis.
- RVers not on the set up list may come in to park at 2:00 pm. If you get to the Fairgrounds before 2:00 pm, please wait in the out parking lot.

CLEAN UP AFTER YOUR DOG: Please clean up after your dog. Let's show them that "Dog People" are clean people. **DO NOT LEAVE ANIMALS UNATTENDED IN VEHICLE!** The club will not be responsible for damage to vehicles resulting from the rescue of overheated animals!

EXITING THE FAIRGROUNDS:

IMPORTANT NOTICE

On Saturday there is a function in the building just outside the black gates. We must close and lock those gates at 3 pm, so there will be a different route to exit the fairgrounds after that time. This will be briefed on Saturday morning and there will be directions available to show you how to leave the grounds. Again, this affects Saturday only.

- During the day: If you need to depart the Fairgrounds while the trial is underway, you will need to drive the long way around the site back to the main gate. This route is shown on the site map later in this judging schedule.
- The main gate will be closed and locked by maintenance at 9 pm each day.
- **FOR AFTER HOURS EMERGENCY EXIT HELP: CONTACT KAREY KRAUTER AT 650-906-5146.** If you have an emergency and need to leave the Fairgrounds after 9:00 pm. You will have to use the emergency exit gate off of East Street.

HOSPITALITY:

- There will be no morning hospitality.
- Each day, NORCAL GRC will be provide lunch for all keyworkers, full time workers, AND anyone who works at least two classes or divisions. This will be on the honor system. In general, lunch will be available from approximately 11:30 am – 2:00 pm.
- Lunch will be laid out at the Gazebo to the right of the bathrooms near Scoring and Awards, down near Ring 1.

If you would like to contribute something to the buffet, please contact our Lunch Coordinator, Julie Owens at archer12763@gmail.com to let her know what you would like to bring and on which day.

WORKERS We will have some full time workers, but we can still use lots of other help! Worker Sign up Boards will be posted at ring side. Simply sign up on the white board and listen for the Ring Crew Chief to call for your class.

You will earn \$2.00 Worker Bucks per class or division, tickets to our great workers raffle and, if you work two or more classes, access to the tasty lunch buffet.

Once you have signed up, please check in with your ring crew chief 10 minutes before you are scheduled to work. This really helps keep things moving along. Be sure to come to Scoring at the end of your trial to redeem your worker bucks!

REDEEMING YOUR WORKER BUCKS: At the end of your weekend, bring all your worker bucks to the **Scoring Table** and we will give you a single TRACS (NOT NORCAL GRC) voucher in exchange. After the end of this

trial, **the individual worker bucks have no value**. You MUST turn them in and get a certificate. Anyone at the scoring table can do this exchange for you.

SCORING, QUESTIONS, POSTING: Scores will be posted on the Arena Wall near Scoring. Please check your results as soon as possible so we may resolve any questions you may have before the judge forgets what your run was like! If you have a question, ask! While it's true the score table is busy, we are never too busy to help you.

Daily results will be taken down each night. You can find daily results on both the NORCAL GRC and the TRACS Website each night.

If you have any questions about anything other than scoring, or have any feedback about ways we can improve our trial, don't be shy about saying something (although I've never really known agility people to be shy about expressing their opinions). Track down any of the following: Karey Krauter, Rosalie Ball, or Julie Owens (the event co-chairs), Sandy Zajkowski; the RV Czar; Rosalie Ball, the Volunteer Coordinator, the Trial Secretary, Kathie Leggett; or talk to anyone wearing a red or black TRACS shirt.

AWARDS:

- We will have your awards ready as soon as we can, but please be patient. AKC requires judges to review all scribe sheets / catalogs prior to awards being available to competitors.
- Awards at this trial are self-serve. Stickers can be found in the white stacked drawers in the awards area.
- In addition to class placement and qualifying flats, there are QQ pins for double q's and special ribbons for any MACH/PACH/AGCH.
- **IF YOU MIGHT EARN A MACH/PACH or AGCH AT THIS TRIAL, PLEASE LET OUR TRIAL SECRETARY KNOW AS SOON AS POSSIBLE!!**

AGILITY GATE APP: Exhibitors are requested to download the new, free phone app, Agility Gate. The app is free through the iPhone App Store or the Google Play Store. The app has a purple background. **The trial code for this event is 0524 (first day of the event).**

Run orders will be posted each evening. Course maps will be available sometime after 6 am each morning. If the maps are not posted exactly at 6 am, check back later.

The app gives you access to the course maps and this is how you will check in for your classes.

You will not need your phone at the gate. There will be large monitors near Rings 1 and 2 where you can check the running order. Ring 3 (ISC Ring) will only have the Gate Steward iPad, no monitor. NOTE: If it gets really windy, the central monitors will be put away and only the iPads will be available.

The gate steward will still call your dog's name just like at shows in the past. If you have multiple dogs running too close together in the run, then mark them with a "conflict" via the Gate app. If you do not have access to the Agility Gate app, you can ask a friend to mark the conflict for you or you can request the Gate Steward do this at ringside.

MEASURING: We will have three Volunteer Measuring Officials at this event. The only dogs that **require** measuring are those without height cards or dogs over two years of age who only have one measurement. **THIS INCLUDES DOGS JUMPING IN THE 24" OR 24C class.** Unentered dogs may be measured later in the day.

If you marked that your dog needs to be measured, your dog **MUST** be measured ****BEFORE**** running. Beverly Morgan Lewis, Kathie Leggett, Cindy Macklin, and Carrie DeYoung (when on site) are our measuring officials for this event. Morning measuring will be done near the Scoring Area around 7:30 am. Subsequent measuring will be done as required.

TRIAL SCHEDULE – Please see the spreadsheet on the following pages..

CONFLICTS:

For all regular AKC classes and the Sat/Sun rounds of the Red Poppy Cup, conflicts will be handled as needed. If you even THINK you might have a conflict, mark your dog as a “conflict” by using the Agility Gate App, or talk to the Gate Steward and they can assist you. We will do everything we can to make sure you get your run, including resetting jump heights once after all dogs have run, so long as you have told us you have a problem. However, we will not hold a ring open once all dogs present at ringside have run; there are other classes to get going.

Remember: with the exception of the Regional WTT classes on Friday (where the dogs must run in order), rings running the smaller classes take precedence over larger classes.

Handlers with multiple dogs will be separated as much as possible within their class.

2024 TRACS Parade of Veterans – This event has been postponed until either Dec 2024 or May 2025.

Vendors: We have a couple of vendors here this weekend:

- Patrice “Blue” Jackson: Human AND canine massage therapist
- Caroline Winata, Olin Photography (Saturday only)

The on Call Vet and the nearest 24 Hour Emergency Veterinarian: UC Davis Veterinary Teaching Hospital; (530)752-1393; Directions will be available at the Trial Secretary’s table.

PHOTO OP!

THERE WILL BE A SPECIAL RED POPPY CUP BACKDROP SO YOU CAN CAPTURE YOUR MEMORY OF THIS WEEKEND! PHOTO OP WILL BE LOCATED BETWEEN SCORING AND THE WORKERS RAFFLE AREA, ALONG THE BIG WOODEN ARENA FENCE.

This set ups will be available throughout the trial until approximately noon on Monday.

TRIAL SCHEDULE INFORMATION FOR ALL CLASSES

CHECK-IN: Exhibitors can check in via the Agility Gate App anytime after the running orders are posted.

MAPS: With the exception of the NorCal Regional World Team Tryouts Qualifier classes, there will no hard copy maps available at the trial. You can print your own map through the Agility Gate App. We will try to have the maps posted on the TRACS website as early as possible.

GENERAL EXHIBITOR BRIEFING: 7:30 am each day. **Why come and listen???** Well, this is where you will get information about the trial specific to each day (stuff that may have come up since this judging schedule was published, changes to the schedule, explanation of the day's events/walkthroughs, and anything else our illustrious Trial Chairs or Trial Secretary needs to talk to you about!)

NOTES TO EXHIBITORS ON SCHEDULE, CLASS ORDER AND, JUMP HEIGHT ORDER

We have put a LOT of work into developing a schedule with an eye towards minimizing conflicts for the greatest number of competitors. Because of this, you will see that the Masters/Excellent classes jump height and ISC jump height order switches around. PLEASE review the attached schedule grid carefully!

WALK THROUGH NOTES:

- The first walkthrough each day will begin as soon as the judges approve their courses.
- Any exhibitor entered in both Premier Standard and Master FAST must walk both courses before judging begins. There are no planned additional walk throughs for these classes.
- After judging begins, all subsequent classes and walkthroughs will start when previous class is completed.
- There are no mass / general walkthroughs after judging begins.
- For Masters/Excellent classes: Be sure to read the attached schedule carefully! In an attempt to reduce conflicts, planned jump height orders from day to day, and on some days, even class to class. Walkthrough groups are shown as a series of "xx – xx - xx"; walkthrough splits are identified with a semicolon "x;"
- STAY FLEXIBLE!!

ISC CLASS INFORMATION

WHY DID YOU CHOOSE THE NAME “RED POPPY CUP”?

Since World War I, the red poppy has been nationally recognized symbol of sacrifice to honor those who served and died for our country in all wars. It reminds Americans of the sacrifices made by our veterans while protecting our freedoms.

The red poppy came to symbolize the blood shed during battle following the publication of the wartime poem “In Flanders Fields” written by Lt Colonel John McCrae, MD while serving on the front lines during World War I. Last year, as we looked for a name for our inaugural ISC Cup, TRACS felt this was the appropriate symbol for an event on the Memorial Day weekend.

COURSE MAPS

- Red Poppy Cup course maps will be available on Agility Gate as usual
- **NorCal World Team Qualifier maps will NOT be posted to Agility Gate.** Hard copy maps will be available for ISC exhibitors to pick up either at ringside or at the Scoring / Trial Secretary’s table/scoring table on Friday.
- When with maps be available:
 - Round 1, Agility: when the course is being numbered
 - Round 2, Jumping: when course building begins

EOTT / WTT Score Entry Requirements:

- The NORCAL Regional WTT Bye Event (A3/J3) and all 8 Red Poppy Cup rounds (A1/J1 & A2/J2) are worth points towards qualifying for the EOTT
- “Clean Run” scores for the ISC Standard A2 or A3 and ISC JWW J2 or J3 may be used to fulfill WTT Score Entry requirements.

NOTES ON ISC EQUIPMENT

- The tire will be set at FCI height/width for the 12, 16, 20 and 24” jump heights:
 - The tire is measured to the center of the aperture
 - Large (24”): 32” to center (20” measured at the bottom of the tire opening)
 - Intermediate (20”): 28” to center (16” measured at the bottom of the tire opening)
 - Medium/Small (16/12”): 22” to center (10” measured at the bottom of the tire opening)
- Spread jumps will be built out of two wing jumps
- Long Jump will be the FCI/USDAA style, (instead of the normal AKC style).
- Jump bars will be 54” long (4.5 feet).

A semicolon (;) indicates a walk through break
An asterisk (*) indicates there may a change in the jump height order
 Anyone entered in Prem Standard AND Master FAST must walk both courses before judging begins
